HONDA JAZZ 1.4 iVTEC AUTOMATIC Hatchback - 32000 miles
1339 cc 1 previous owner from new, Finished in beautiful
pearlescent silver metallic with unmarked grey interior
Manufactured in August 2012 makes this GE6 one of the last of
the most reliable Honda Jazz/Fit models ever built. This beautiful
little Honda Jazz comes to you directly from the warm subtropical
Japanese sunshine so consequently it is absolutely rust free and
looks and drives like a 6 month old car The car runs and drives
faultless and is MOTD until September of next year with no
advisory

Hpi clear, Ice cold climate Air con, 5 full seat belts, ISOFIX, ABS,
Air bags Electric windows and central locking

All our cars are maintained regardless of costs in Japan to
comply with strict Japanese mot legislation and do not have a
cambelt as they have a Camshaft chain which is for the life of
the car
