like new with no issues to report at all. The engine runs so sweetly, lovely and quiet. Its exactly as you would expect having always been regularly serviced and maintained regardless of cost. It really needs to be driven to realise how well this has been maintained.

Everything on this car works exactly as it should.

#### **HISTORY FILE:**

Registered new in Toyota RRG Manchester in July 2005 as a demo, it was then supplied to its first official owner in October 2005, that owner retained the vehicle until 2020. In that time, the owner serviced and maintained it to the highest order, this is clear from any inspection of the vehicle. In April 2020, it was acquired by its most recent owner, who continued to look after it as it should be.

#### **SUMMARY:**

It is very rare to see such an original example that has been as well cared for in its time and only ever seen light useage. Phone for further details of this vehicle, ideal for everyday use or to store away as a future collectible
