"You can't be a true petrolhead until you've owned an Alfa Romeo". Not our words but those of motoring guru Mr Jeremy Clarkson! So if you want to immerse yourself in the quirky and sporting derived heritage of this iconic brand here's a great opportunity to do just that, at a bargain price! This beautiful Alfa Romeo Giulietta is finished in Alfa Red - a pre-requisite for any Alfa, and in Veloce trim level which means its got black half leather sports seats and leather bound sport steering wheel, fantastic 17 inch turbine style alloys, rear privacy glass, front fogs and lowered sport suspension. Timeless and unique in its design yet this practical everyday hatchback is spacious for passengers and has a superb sized luggage area and its great to drive as the twin cam turbo charged petrol engine producing 170bhp with a slick six speed gearbox. We've just performed a major inspection service and replaced the timing belt and water pump along with front brakes and the current MOT extends to July 2025. Kept in lovely condition this gorgeous low mileage Alfa is everything and more you could ever want or need for the money!
