Toyota Auris 1.4 D-4D TR 5dr | Apr 2011

£2,950 O.N.O

Very well looked after 2011 Auris with all original Toyota parts and approximately 86,000 miles on sale for a competitive price.

I love this car very much, it has safely driven me across Europe and back and offers a safe, smooth ride, but I am moving countries and it has to go to a good home.

Currently sporting four all-season tires. The last MOT was just done in late September. Fantastic as the kids' first car (resilient and doesn't stall easily), or as a beach/adventure car (as you can see in the photos, the back seats go down to reveal lots of space - I fit my surfboards in there no problem). Full valet will be arranged prior to sale.

Please note the CD reader does not work (the radio is working fine).
