Presenting this (June Registered) 2012 Vauxhall Agila 1.2SEHatchback with 39000 miles. Nice genuine low mileage example and low tax model

EQUIPMENT:

Optioned to 'SE' specification with fully colour-coded bumpers & door mirrors, central locking, electric front windows, electric front mirrors, power steering, CD stereo and air-con and rear privacy glass.

EXTERIOR:

Finished in Moroccan blue, the bodywork is very good all-round condition, the car is HPi clear and has been very well looked after throughout its ownership from new. It does have a few age-related marks, as you would expect of a car of this age, but nothing that detracts from the car. All Alloy wheels in great order.

INTERIOR:

Comes with two-tone black/blue upholstery, the interior is that of what you would expect a low mileage car, back seat has never been sat in. Very good condition in every way with no signs of any wear or tear in any way, non-smoker nor pet-owned.

Every aspect is as you would wish it to be.

ENGINE& TRANSMISSION:

Built with the super economical 1242cc petrol engine with a 5-speed gearbox. With only 39,000 genuine miles the car drives like new with no issues to report at all. The engine runs so sweetly, lovely and quiet. Its exactly as you would expect having always been regularly serviced and maintained regardless of cost.

Everything on this car works exactly as it should.

HISTORY FILE:

Registered new in Gormley Vauxhall, Omagh, on the 25th June 2012 to a local lady. She retained the car until May 2016 when it was then resupplied by Gormley Vauxhall, Omagh to another local lady. In both ownerships, the car has been looked after regardless to the highest standard and is open to any inspection. Recently fully serviced

SUMMARY:
