Trip Computer
Hill Start Assist

Zippy and economical 0.9 TCe petrol engine mounted below the boot floor and driving the rear wheels. These are a really quirky, individual little car with a comically small turning circle!

Registered Category N (Non-Structural) after light cosmetic damage in October 2023. Repaired to the highest of standards and making the car a bargain for you, at £1500 below book value.

Immaculate condition inside and out with a wonderful drive. Fantastic first car or city runaround with plenty of "big car" features.

£5,950
