Presenting this (October Registered) 2018 Nissan Juke 1.5DCi Hatchback TEKNA. Nice genuine low mileage example.

EQUIPMENT:

Optioned to 'TEKNA' specification with fully colour-coded bumpers & door mirrors, central locking, electric front windows, electric front mirrors, powersteering, CD stereo and air-con, Sat Nav to name but a few of the features as well as the upgraded BOSE system.

EXTERIOR:

Finished in Metallic Grey, the bodywork is very good all-round condition, the car isHPi clear and has been very well looked after throughout its ownership fromnew. It does have a few age-related marks, as you would expect of a car of this age, but nothing that detracts from the car. All Alloy wheels in great order. Some fantastic features on this car, including the orange wing mirrors (factory extra) along with detailing features inside.

INTERIOR:

Comes with dark grey leather interior, the interior is in very good order throughout and is clear of it having been a well maintained and cared for car. Very well spec'd example, and very original, even having the genuine Nissan Juke fitted floor-mats. Every aspect is as you would wish it to be.

ENGINE & TRANSMISSION:

Built with the super economical 1461cc diesel engine with a 6-speed gearbox. With only 63,000 genuine miles the car drives

like new with no issues to report at all. The engine runs so sweetly, lovely and quiet. Its exactly as you would expect having always been regularly serviced.

Everything on this car works exactly as it should.

HISTORYFILE:

The car was first registered on the 31st October 2018 in Pat Kirk Nissan, Omagh as a demo due to the high spec it was ordered with. It was then passed to its first private owner in March 2019. They retained the car until recently, however after having to obtain a new V5 document from DVA due to it being lost a new owner was added in error. The car has been regularly serviced and open to any inspection.

Comes with both keys, and all handbooks.

SUMMARY:

This is a lovely example and a very catchy looking car that stands out from the normal Juke's we see around with all the added features, well worth a view and test-drive.
