Car has never wanted for anything during my ownership (over 2 years).

Serviced every 5,000 miles, diff oil changed, DCT gearbox oil changed, Eibach replacement springs (standard ride height - preventative replacement - as they prone to snapping), two new rear tyres fitted over the summer.

HPI clear and finance clear. All original paintwork. MOT to March 26 (the car fell in to the temporary exemption ruling for 2018 cars so MOT was for 2 years).

Can be supplied on the original M2 alloys if required (mint with as new premium brand tyres).

I can accept a sensibly priced trade in if it helps get the deal done.

Private plate will be transferred off prior to sale.
