This A4 Avant SE Technik 2.0 TDI Ultra is finished in 'Brilliant Red' with full black leather interior and optional extras of Xenon headlights, heated front seats and swan neck towbar. The 163 PS engine is paired to a 6 speed manual gearbox, offering great performance and fuel economy.

This A4 has had the same owner for the last 6 1/2 years and has been very well cared for and maintained - it remains in superb condition for the year and mileage and drives exceptionally well. There are 8 recorded services, most recently in September 2024 at 92,860 miles, with all accompanying invoices. All MOT certificates are also present. The timing belt and water pump was replaced at 63k miles in March 2021.

The 17 inch 5 spoke alloys have just been professionally refurbished and are wearing matching Michelin Cross Climate tyres.

Comes with space saver spare wheel and tools, 2 working remote keys, and full book pack.

The current MOT is valid until 25th September 2025 and Road tax is just £35 for the year.

A 6 month extendable comprehensive Warranty policy with breakdown recovery is included in the price.

An exceptionally genuine example, which was traded in to us for the newer model.
