The Volkswagen Golf continues to be an impressive all-rounder that justifies its price premium over family hatchback rivals. The Golf's strong points include its air of solidity, classy and understated looks, peerless refinement and a wide variety of body styles and engines with varying levels of performance and economy. It maybe slightly more expensive than its closest rivals, but it does hold on to its value like no other mainstream family hatchback. Fusco Vehicle Sales - North Down's largest used car dealership.
