If we were to name one of the most desirable used cars on the market today, the Range Rover Evoque would be a top contender. And it's easy to understand why; it's a good-looking family SUV that provides much of the practicality of a family car, the high driving position people want, plenty of standard kit and the desirability of a premium badge. The fact that you can now buy an early example for a third of the price of a new 2019-onwards Range Rover Evoque (which, incidentally, has similar looks) is just the icing on the cake. Fusco Vehicle Sales - North Down's largest used car dealership. Generally over 200 cars & commercial vehicles between £3000 - £60,000 on site.
