The Volkswagen Golf 1.4 TSI GTE 5dr DSG offers an impressive blend of efficiency and performance, making it an ideal choice for eco-conscious drivers. Powered by an electric engine and equipped with an automatic transmission, this model provides a smooth and responsive driving experience. The Adaptive Cruise Control (ACC) system, along with speed limiter and front assist features, ensures both comfort and safety during your journeys. Key features such as Lane Assist and dynamic road sign display further enhance the vehicle's reliability and convenience on the road. This Golf model stands out with its stylish exterior, featuring a pristine white finish complemented by GTE style bumpers and body-coloured elements including bumpers, door handles, and mirrors. The IQ. Light LED Matrix headlights, along with LED front fog lights, not only enhance visibility but also add a modern touch to the vehicle's design. The rear tinted glass and illuminated front grille accentuate the vehicle's sleek aesthetics, while the body colour rear roof spoiler adds a sporty flair. Inside, the Golf offers a sophisticated and comfortable cabin with a range of premium features. The ambient lighting with 30 customisable colours, leather-wrapped multifunction sports heated steering wheel, and front sports seats provide a luxurious driving environment. The digital cockpit pro with a 10.25" high-resolution TFT dash display ensures all vital information is easily accessible. The car is equipped with advanced safety features, including multiple airbags, electronic stability control, and extended pedestrian protection measures. Additional conveniences such as wireless app connect, keyless entry, and a mobile phone interface with wireless charging make this vehicle a practical and advanced choice for modern drivers
