The Cupra Formentor 1.5 TSI 150 V2 5dr DSG offers a refined driving experience, combining the dynamic performance of a petrol engine with the smooth handling of an automatic transmission. The driving profile selection and forward collision warning with automatic braking enhance safety and adaptability on the road. The predictive adaptive cruise control with a speed limiter makes long journeys more comfortable, while the start/stop system with regenerative braking contributes to fuel efficiency. Aesthetically, this Formentor impresses with its striking red paintwork, complemented by dark grey wing mirrors and body-coloured door handles. The gloss black roof rails and window surrounds add a touch of sophistication, while the LED headlights and taillights with dynamic indicators ensure excellent visibility. Practicality is not compromised, with features such as tinted rear windows, rain-sensing wipers, and a rear diffuser with black simulated exhaust pipes. Inside, the vehicle offers a luxurious cabin with a digital cockpit and configurable dashboard. The leather multifunction heated steering wheel with gear shift paddles and the three-zone climate control provide superior comfort and convenience. The advanced navigation system with a 12" touchscreen display, park assist, and rearview camera simplify driving. Safety features are abundant, including lane assist, driver and front passenger airbags, and a tyre pressure monitoring system, ensuring peace of mind on every journey.
