When you buy an Audi Approved Used vehicle you have the reassurance that all cars must meet our meticulous standards. All Approved Used Audi vehicles undergo a comprehensive series of stringent tests and inspections. Multi-Point check to pass These include separate mechanical, interior, and exterior checks, full road-test and a detailed written report. Service History We provide you with a service history certificate at the time of vehicle handover, detailing all routine servicing work completed by the Authorised Audi Centre. MOT Protection Protects you from potential costs incurred from a range of repairs up to the value of £750, if your Approved Used Audi fails MOT. For full details see our T&C's Reconditioning with Audi Original parts Should the multi-point check highlight any irregularities, we will undertake rectification work using Audi Original parts. 30-day exchange Plan In the unlikely event of a demonstrable fault occurring within 30 days/1,000 miles, we will offer an exchange. This does not affect your statutory rights. History & Mileage Checks The Audi you buy will have a clean, transparent record and independently checked mileage. , Audi
