The car was registered new on 31st January 2018 by Allens FORD, Kent and used as demo and promotional vehicle due to the spec and special features on this car. It was then supplied to its one and only private lady owner in May 2019 when it was relocated to Northern Ireland. Since then it has been looked after to the highest standard, as is evident from the condition and detailed service history on the car, which has 6 stamps in the book.
