

Volkswagen T4 T4 Transporter Camper | 2001 VOLKSWAGEN T4 TRANSPORTER CAMPER

£3,850 O.N.O

Miles:	206000
Fuel Type:	Diesel
Transmission:	Manual
Colour:	White
Engine Size:	1896
Reg:	Y234boj

For sale: 2001 Volkswagen T4 1.9TD with 206k miles on the clock. I purchased it in Dublin in May 2021 with 198k miles and converted it from a panel van into a functional camper. Modifications include added windows, insulation, cladding, spotlights, a U-shaped sofa that converts into a bed, top class upholstery and a custom-built storage cabinet. After purchasing, I changed the van back to its original UK registration. It has also recently had the starter motor, glow plugs, throttle cable and brake calipers replaced. It will also come with a full set of thermal blinds just purchased and used on one trip from just kampers.

£3850

Possibly px for jeep and or + cash

Bad points: Horny currently needs fixed, back door latch needs replaced but can still be opened, wooden cladding inside needs another coat of paint, one or two cladding planks need adjusted/redrilled
