LED DAY LIGHT RUNNING

The 2020 Vauxhall Grandland X 1.2 Turbo Business Nav Edition is a stylish and practical compact SUV that combines versatility, efficiency, and advanced features. Designed to cater to both personal and business users, it offers an impressive blend of comfort, technology, and performance, making it a standout in the competitive SUV market. Exterior Design and Build Quality The Grandland X boasts a modern and refined exterior design. Its bold front grille, sleek LED headlights, and dynamic lines give it a commanding road presence. The raised stance and 18-inch alloy wheels further emphasize its SUV credentials, while chrome accents add a touch of sophistication. With a length of 4,477mm and a wheelbase of 2,675mm, the Grandland X offers a spacious cabin while maintaining a manageable size for urban driving. Interior and Comfort Inside, the Business Nav Edition is a showcase of practicality and quality. The cabin is well-appointed, featuring soft-touch materials and ergonomic design. Comfortable fabric seats provide ample support for long journeys, while the spacious layout ensures generous legroom for all passengers. The 514-liter boot is expandable to 1,652 liters by folding the rear seats, making it ideal for both everyday errands and larger cargo needs. Technology and Features This edition stands out for its comprehensive technology suite. The centerpiece is the 8-inch IntelliLink touchscreen infotainment system, offering seamless integration with Apple CarPlay and Android Auto. Navigation is standard, ensuring drivers can easily find their way. Additional tech features include dual-zone climate control, a wireless charging pad, and USB connectivity. Safety

features such as lane departure warning, automatic emergency braking, and cruise control enhance both convenience and peace of mind. Performance and Efficiency The 1.2-liter turbocharged petrol engine is a highlight of the Grandland X. With 128bhp and 230Nm of torque, it delivers a lively performance while maintaining excellent efficiency. Paired with a smooth six-speed manual or optional eight-speed automatic transmission, it provides a balanced driving experience suitable for both city commutes and highway cruising. The engine's responsiveness and turbocharged power ensure confident overtaking, while its official fuel economy of around 47mpg (WLTP) makes it cost-effective to run. Driving Dynamics The Grandland X offers a composed and comfortable ride. Its suspension system absorbs road imperfections effectively, ensuring a smooth journey. The precise steering and minimal body roll enhance driver confidence, while the elevated driving position provides excellent visibility. Front-wheel drive is standard, which, combined with advanced traction control, handles most driving conditions with ease. Value for Money As a Business Nav Edition, this model caters to corporate and fleet customers with its competitive pricing and low running costs. The 1.2 Turbo's low CO2 emissions (around 121g/km)
