September 2023 registered Aston Martin DB12 Coupe. This car shall be supplied with a 3 Year Aston Martin Service Plan. The Aston Martin DB12 Coupe redefines the luxury grand tourer experience by combining timeless elegance, exhilarating performance, and cutting-edge technology. Here's why it stands out: **Unmatched Performance:** Powered by a 4.0-liter twin-turbocharged V8 engine producing an impressive 671 horsepower and 590 lb-ft of torque, the DB12 achieves a top speed of 202 mph and sprints from 0-60 mph in just 3.6 seconds. This power, paired with an adaptive suspension and rear-wheel drive, ensures a thrilling yet refined driving experience. **Exquisite Design:** The DB12 is the epitome of Aston Martin's design philosophy, blending heritage with modernity. Its sculpted exterior features a bold grille, muscular lines, and an aerodynamic silhouette. The interior is equally striking, boasting hand-stitched leather. **Advanced Technology:** A new state-of-the-art infotainment system offers seamless connectivity with a high-resolution touchscreen, Apple CarPlay, Android Auto, and over-the-air updates. A premium Bowers & Wilkins audio system ensures an immersive sound experience, while advanced driver assistance systems provide safety without detracting from the thrill of driving. **Versatility and Comfort:** Unlike many sports cars, the DB12 excels as a grand tourer, offering a spacious cabin, comfortable seating, and practical storage options. It's ideal for both spirited drives and long-distance journeys, making it a versatile addition to any lifestyle. **Exclusivity and Heritage:** Owning an Aston Martin is a statement of sophistication and a connection to a storied legacy of British craftsmanship and motorsport excellence. The DB12 Coupe, as part of this legacy,

combines tradition with innovation, ensuring you drive a car as unique as you are. For those who demand beauty, performance, and luxury in equal measure, the Aston Martin DB12 Coupe is an unmatched choice
