

Renault Kangoo MI20 44Kw Van Auto | Sep 2012

£4,999 + VAT

MOT' D 20TH OCTOBER 2025

The Renault Kangoo LL21 44kW Van Auto is a compact, electric commercial vehicle designed for urban use. It features a 44 kW electric motor, providing efficient, eco-friendly performance. This van offers practicality with ample cargo space, making it ideal for businesses needing a reliable delivery vehicle. The automatic transmission ensures ease of driving, and it's well-suited for low-emission zones. With a focus on affordability and sustainability, the Kangoo is a great option for those looking to transition to electric vehicles for commercial purposes
