Presenting this (February Registered) 2014 Nissan Qashqai 1.2 DiG-T Acenta [Smart Vision Pack] 5dr with only 45k miles and a lovely history.

Nice genuine low mileage example that needs to be seen.

EQUIPMENT:

Optioned to 'Acenta [Smart Vision Pack]' specification with fully colour-coded bumpers & door mirrors, central locking, electric front windows, electric front mirrors, power steering, CD stereo and air-con, and as it has the SMARTVISION pack, this also includes Driver & safety tech, includes High Beam Assist, Traffic Sign Recognition, Intelligent Rear-View Mirror, Intelligent Emergency Braking with Pedestrian Detection, Lane Departure Warning & Front and Rear Parking Sensors.

EXTERIOR:

Finished in the Pearlescent white, the bodywork is excellent all-round condition, the car is HPI clear and has been very well looked after throughout its ownership from new. It does have a few age-related marks, as you would expect of a car of this age, but nothing that detracts from the car. All Alloy wheels in great order.

INTERIOR:

Comes with grey upholstery, the interior is that of what you would expect a low mileage car, back seat has never been sat in. Very good condition in every way with no signs of any wear or

tear in any way, non-smoker nor pet-owned. backseat do not look as if they have ever been sat in.

Every aspect is as you would wish it to be.

ENGINE & TRANSMISSION:

Built with the super economical 1198cc petrol engine with a 6-speed gearbox. With only 45,000 genuine miles the car drives like new with no issues to report at all. The engine runs so sweetly, lovely and quiet. Its exactly as you would expect having always been regularly serviced and maintained regardless of cost.

This car pulls and drives excellently and should not be judged before driving as it is a very torquey, nippy engine

HISTORY FILE:

Supplied new by Benfield Nissan, Newcastle to a local lady of the area, she retained the car until 2017, when in May 2017, it was then supplied by Charles Hurst Belfast to a gentleman in Bangor who has had the car in the family since then. During both periods of ownership, the car has been maintained to the highest standard, regularly serviced and maintained.

Recently serviced by ourselves, including new brake pads

Comes complete with all handbooks and both sets of keys

SUMMARY:

Overall, this is a fantastic example of an SUV, and I would advise anyone not to judge before they have taken a look and driven it. Ticks every box in so many ways.
