The Cupra ATECA 2.0 EcoTSI 190 V2 with DSG 4Drive offers a harmonious blend of performance and sophistication. Its petrol engine paired with an automatic transmission delivers a responsive driving experience suited for both urban commutes and open-road journeys. The vehicle's intelligent all-wheel-drive system ensures optimal traction, enhancing your confidence on varied road surfaces. This model is equipped with a range of dynamic features, such as the self-adjusting dynamic headlight range control and the CUPRA-specific front bumper, which contribute to a seamless and enjoyable drive. The ATECA's styling is a testament to contemporary design, with its grey paint exuding a sleek and modern aesthetic. Body-colour bumpers and dark aluminium diffusers complement the vehicle's overall look, while the gloss black elements, including the door mirrors, roof rails, and side mouldings, add a distinctive edge. The full LED headlamps, dynamic indicators, and dark tinted rear windows enhance its striking appearance, ensuring the vehicle captures attention wherever it goes. Inside, the ATECA is meticulously designed to offer both comfort and advanced technology. Leather sport bucket seats and a heated steering wheel provide a luxurious touch, while the dual-zone climate control and multicoloured ambient lighting ensure a tailor-made environment. The digital cockpit and wired and wireless smartphone integration keep you connected, and the self-parking functionality with front and rear parking sensors simplifies urban manoeuvring. Safety is paramount, with features such as autonomous emergency braking, a rearview camera, and a comprehensive airbag system, making every journey secure.
