The Nissan X-TRAIL 2.0 dCi Tekna 5dr 4WD Xtronic [7 Seat] offers a superb driving experience, combining power with versatility. Its diesel engine delivers efficient performance, perfect for both urban and rural journeys, while the automatic transmission ensures a smooth and effortless drive. Known for its robust reputation, the X-TRAIL includes practical features such as the intelligent parking assist and advanced safety systems like forward emergency braking and lane departure warning, making it a reliable choice for families and adventurers alike. Styled in a sophisticated grey, this X-TRAIL boasts a sleek and modern look with its black honeycomb front grille and chrome accents on the door handles and window surround. The electric panoramic sunroof adds a touch of luxury, allowing natural light to fill the cabin. With body-colour bumpers and satin silver roof rails, this vehicle is both stylish and functional, while the rear privacy glass provides an additional layer of comfort and security. Inside, the X-TRAIL is designed with comfort and convenience in mind. The leather steering wheel and gear knob add a touch of elegance, while the dual zone climate control ensures a pleasant environment for all passengers. Featuring heated front seats, a configurable luggage board system, and a 60/40 split folding rear seat, this vehicle is as practical as it is comfortable. The Nissan Connect sat nav system, along with Bluetooth phone integration, keeps you connected and informed on the go, while the array of safety features, including airbags and ABS, provide peace of mind for every journey
