The Renault ZOE 100kW GT Edition R135 50kWh Rapid Charge 5dr Auto delivers an impressive electric driving experience, boasting an automatic transmission for smooth and effortless journeys. As an electric vehicle, it offers a sustainable choice for eco-conscious drivers, while still providing ample power with its 100kW motor. This model is equipped with a rapid charge capability, ensuring that recharging is both quick and convenient, a significant advantage for those with busy lifestyles. In terms of aesthetics, the ZOE impresses with its sleek black paint, enhanced by body colour bumpers, door mirrors, and front door handles for a seamless finish. The sophisticated look is completed with a chrome grille and C-shape LED daytime running lights integrated into the full LED headlamps, ensuring optimal visibility and a modern appearance. The rear tinted windows add a touch of privacy and style, while the compact five-door design ensures practicality without compromising on appearance. The ZOE is packed with modern features designed to enhance comfort and safety. Key options include automatic headlights, rain-sensing wipers, and a rear view parking camera, adding convenience to every drive. Inside, the 10" TFT Driver information display and Easy Link 9.3" display with navigation keep you informed and connected, while the PET leather steering wheel and synthetic leather/fabric upholstery add a touch of luxury. Safety is prioritised with a range of features such as lane departure warning, blind spot warning, and multiple airbags, ensuring peace of mind for driver and passengers alike
