The Volkswagen 60kW E-Up 32kWh 5dr Auto is an appealing choice for those seeking an efficient and smooth electric driving experience. Known for its practicality and reliability, the E-Up offers seamless automatic transmission, making it an excellent option for urban commuting and short trips. Its electric powertrain not only reduces emissions but also contributes to a quieter and more environmentally friendly ride, ideal for the environmentally conscious driver. Styling is both contemporary and sleek, with a clean white paint finish that complements its modern design. The black radiator grille, blue stripe accents, and body-coloured elements such as door handles and mirrors enhance its visual appeal. Notable features like halogen clear headlights with integrated indicators and rear tinted glass add to the sophisticated and cohesive look of this vehicle. Inside, the E-Up is equipped with a variety of features designed to enhance comfort and convenience. The cabin offers fusion cloth upholstery with front and rear carpet mats, and a multifunction leather-trimmed steering wheel, gear knob, and handbrake grip. The practicality continues with a spacious interior that includes a folding front passenger seat, 60/40 split rear seats, and a cooled glovebox. Safety and technology are well-catered for, with equipment such as lane assist, electronic climate control, and an array of airbags, ensuring a secure and connected drive for all passengers

Vehicle Features

2 cup holders in the centre console, 2 cup holders in the front and rear centre console, 2 separate seats in 2nd row, 2 zone electronic climate control with allergen filter, 3 point front
