The NSF and OSF tyres are brand new. The OSR and NSR tyres are recently brand new with minimal tread wear. With space saver steel spare wheel - this has never been used. The interior does show some signs of light use and wear as expected with this age and mileage. There are no obvious visible rips nor tears on the dark grey fabric upholstery. We do observe some light deformation of the foam pads on the front seat squabs and side bolsters. There is some mild light surface staining on the seats at various points.
