The SEAT ATECA 1.5 TSI EVO Xperience with a smooth automatic transmission offers a compelling driving experience backed by a reputation for reliability and efficiency. The petrol engine delivers a balanced performance, making it suitable for both urban and motorway driving. With its acclaimed SEAT drive profile, drivers can seamlessly switch between Normal, Sport, Eco, and Individual modes, tailoring the driving dynamics to their preferences. Safety is a priority with features such as airbags for the driver, front passenger, and curtain airbags, along with a driver's knee airbag, ensuring peace of mind on every journey. In terms of style, this ATECA model presents a sleek and sophisticated aesthetic with its silver paint complemented by chrome accents on the front grille, roof rails, and side window trims. The black wheel arch surrounds add a touch of ruggedness, while the dark tinted rear windows enhance privacy. LED headlamps and fog lamps, along with dynamic indicators, provide improved visibility and contribute to the modern and refined look of the vehicle. Inside, the ATECA boasts a well-appointed interior with Dinamica upholstery and front comfort seats for a premium feel. The dual-zone climate control ensures all passengers remain comfortable, while the digital cockpit and multi-function display provide easy access to driving information. The vehicle is equipped with technology such as self-parking functionality, a rear view camera, and wireless phone charging, ensuring convenience at every turn. Safety and security are bolstered by features like the tiredness recognition system, tyre pressure monitoring, and keyless entry, making it an ideal choice for those seeking a blend of style, comfort, and technology.
