Second hand cars are so hard to get , especially one of this calibre.

Subsequently prices are soaring dramatically to ridiculous prices due to he shortage.

You may buy cheaper and end up spending hundred on it , making it dearer in the long run.
Sometimes you get what you pay for as they say.

A pleasure to look at and to drive.
Driving perfect every day.
Just through Mot .
Great service history with receipts.

Any test or trial welcome. Bring a mechanic if you wish.

Seats and carpet in great condition as is the bodywork and as you would expect with the low mileage for the year.

Can be seen and legally driven on my insurance at my house or a place of your choice.
Can bring to you within reasonable distance
Test drive will not disappoint.

I can put any price up there but you will decide the real price after viewing and driving.

Being a pensioner prefer phone call.
