The MG MG4 150kW SE EV Long Range 64kWh 5dr Auto promises a seamless blend of innovation and efficiency. As an electric vehicle, it offers a smooth and quiet driving experience, complemented by its automatic transmission for effortless journeys. The combination of its active grille system and aerodynamic design enhances performance and efficiency, making it an ideal choice for those seeking a greener driving option. This MG model is further distinguished by its modern and convenient features, such as adaptive cruise control and intelligent speed limit assist. Aesthetically pleasing, the MG4 comes in a sleek black paint finish, complemented by stylish design elements including a rear spoiler and tinted glass. Projector LED headlights with integrated daytime running lights not only enhance visibility but also add a contemporary touch to its exterior. The vehicle's electrically adjustable heated black door mirrors and rain-sensing wipers further contribute to its functional design, ensuring comfort even in adverse weather conditions. Inside, the MG4 is equipped with a 10.25" floating colour touchscreen and a 7" full digital driver information display, providing intuitive access to Android Auto and Apple CarPlay. The interior is thoughtfully designed with fabric upholstery and a leather steering wheel for added comfort. Practicality is enhanced with features like a 60/40 split-fold rear seat, climate control, and driver assistance systems including lane keep assist and traffic jam assist. Safety is paramount, with multiple airbags, active emergency braking, and a tyre pressure monitoring system ensuring peace of mind on every journey.
