**LED DAY LIGHT RUNNING LIGHTS**

**2023 Vauxhall Grandland 1.5 Turbo D GS Auto: Overview and Specification** The 2023 Vauxhall Grandland 1.5 Turbo D GS Auto represents a well-rounded SUV with a focus on efficiency, practicality, and technology. This compact crossover blends sharp styling, a robust diesel engine, and a feature-rich interior, making it a compelling choice in the competitive SUV market.

**Performance and Powertrain** Under the hood, the Grandland 1.5 Turbo D is powered by a 1.5-liter four-cylinder turbocharged diesel engine that delivers a respectable 130 PS (128 bhp) and 300 Nm of torque. This engine is paired with an 8-speed automatic transmission, ensuring smooth shifts and effortless driving, whether in urban settings or on long motorway journeys. The diesel unit prioritizes efficiency, achieving a fuel economy of up to 54.3 mpg (WLTP combined), making it an attractive option for drivers seeking lower running costs. The vehicle offers a balanced driving experience, with responsive handling and comfort-oriented suspension. Front-wheel drive (FWD) ensures that the Grandland remains nimble and practical for everyday use. Though not designed for rugged off-roading, the SUV is adept at navigating light terrains and adverse weather conditions, thanks to its IntelliGrip traction control (optional on some trims). **Design and Exterior** The 2023 Grandland features a bold, modern design influenced by Vauxhall's latest styling philosophy. Its signature Vizor front grille integrates seamlessly with slim LED headlights, creating a sleek and futuristic front fascia. The GS trim adds sporty touches, including black 18-inch alloy wheels, black roof rails, and high-gloss accents. The clean,

aerodynamic lines and compact proportions give it a dynamic presence on the road. Interior and Technology Inside, the Grandland offers a spacious and ergonomic cabin, designed with premium materials and practical layouts. The Pure Panel digital cockpit is the centerpiece, featuring a 7-inch driver's display and a 10-inch central touchscreen for infotainment. The system supports Apple CarPlay and Android Auto, ensuring seamless smartphone integration. The GS trim brings additional comfort and convenience features such as dual-zone climate control, heated front seats, and a leather-trimmed steering wheel. The seating is both supportive and adjustable, with ample legroom and headroom for all passengers. The 514-liter boot capacity expands further with split-folding rear seats, providing versatile cargo options. Safety and Driver Assistance Safety remains a priority, with advanced systems like lane departure warning, forward collision alert with automatic emergency braking, and traffic sign recognition included as standard. The Grandland also offers optional upgrades, such as adaptive cruise control and a 360-degree camera, enhancing driver confidence and convenience. Summary The 2023 Vauxhall Grandland 1.5 Turbo D GS Auto is a practical, efficient, and stylish SUV that caters to a wide audience. It
