The MG ZS 105kW Exclusive EV 45kWh with automatic transmission is a superb choice for those seeking a reliable electric vehicle. With its electric powertrain, this model offers a smooth and quiet driving experience, complemented by its efficient performance. The vehicle's adaptive cruise control and three driving modes allow you to tailor your driving experience, whether you're navigating city streets or heading out on longer journeys. Key features such as the regenerative braking system and active emergency braking with pedestrian and bicycle detection further enhance safety and efficiency. This MG ZS model boasts a striking red exterior with body-coloured bumpers, door handles, and electric heated mirrors, giving it a sleek and modern look. The chrome side window trim and silver roof rails add an extra touch of style. The panoramic sky roof and LED daytime running lights not only enhance the vehicle's aesthetic appeal but also improve visibility and comfort for all passengers. The rear spoiler and bi-function projection headlights contribute to a sporty and dynamic appearance, making sure you travel in style. Inside, the MG ZS offers a range of convenient and luxurious features. The interior is fitted with synthetic leather upholstery and a leather steering wheel, providing a comfortable and stylish environment. The 8" colour touch screen with Apple CarPlay and Android Auto ensures seamless connectivity, while the heated front seats and air conditioning with odour and pollutant filter guarantee a pleasant journey. Safety is paramount with features such as blind spot detection, lane keep assist, and rear parking sensors with a camera, making every drive secure and enjoyable
