7. 9% APR FINANCE - SAVE £ 2626

The Ford Ranger Wildtrak 2. 0 EcoBlue offers a blend of practicality and performance that suits a variety of needs. Equipped with a manual transmission and powered by a diesel engine, this model promises a robust and efficient driving experience. Its intelligent speed assistant and lane keeping aid ensure a confident journey on any road. Notably, features like the collision mitigation braking system and emergency brake assist add an extra layer of safety, making this vehicle an appealing choice for those who prioritise security and peace of mind. Aesthetically, the Ranger Wildtrak impresses with its sleek grey paint colour, complemented by boulder grey exterior accents such as the door mirrors and handles. The dual power heated fold-back door mirrors with puddle lamps and signals, along with LED daytime running lights and LED projector headlamps, enhance visibility and style. The rugged look is further accentuated by the rear bumper chrome under-bar and side steps with brushed inserts, while the interior benefits from a sport leather-stitched steering wheel and journey grain partial leather upholstery featuring the Wildtrak logo. Inside, the Ford Ranger is equipped with several thoughtful options designed for convenience and comfort. The cabin features a centre console coolbox, premium floor mats, and a dual control system for electronic air temperature control. Modern technology is well-represented with a fixed rear-view camera, the ICE feature pack, and a power converter. Safety remains paramount, with ISOFIX child seat attachments, multiple airbags, and tyre pressure sensors. Additionally, practical features such as the power tailgate lock, spare wheel lock, and underbody protection cater to both urban and off-road adventures
