The Lexus UX 300e is a sophisticated electric vehicle that blends performance with eco-consciousness. With its automatic transmission, the driving experience is seamless and efficient, while the electric powertrain offers a quiet and smooth journey. This model features an "electric" badging, reflecting its environmentally friendly credentials, and benefits from advanced safety systems like dynamic radar cruise control, lane tracing assist, and a pre-collision system, ensuring peace of mind on every drive. Stylishly finished in sleek black paint, the Lexus UX boasts a contemporary and dynamic exterior.

Aluminium roof rails add a touch of practicality and flair, while the Bi-LED headlights with Auto High Beam enhance visibility and safety. The vehicle's aesthetic is further complemented by LED daytime running lights and fog lights, electrically adjustable and heated door mirrors, and distinctive rear side wing doors.

The light green UV glass and rain sensor windscreen wipers provide additional functionality and comfort, especially in varying weather conditions. Inside, the UX offers a well-appointed cabin with premium fabric upholstery and a host of features designed for comfort and convenience. The 8-way electrically adjustable front seats and dual-zone climate control with a Nano-E humidity sensor ensure a tailored experience for both driver and passengers. Modern technology is well-represented with a 7-inch Lexus media display, Apple CarPlay, Android Auto, and Bluetooth connectivity, keeping you connected on the go. Safety is paramount, with multiple airbags, ISOFIX child seat restraints, and advanced braking systems such as ABS and traction control, delivering a secure driving environment for all occupants

Vehicle Features
