The Renault CAPTUR 1.6 E-Tech full hybrid 145 Evolution offers a sophisticated driving experience with its hybrid powertrain and automatic transmission. This dynamic vehicle combines petrol and electric power to deliver efficient performance, promising reduced emissions and fuel savings. The CAPTUR is equipped with innovative features such as automatic front wipers with rain sensors and automatic headlights, ensuring a seamless driving experience in varying conditions. This model boasts a sleek black finish, complemented by body-coloured bumpers, door mirrors, and handles. The black side door protection and grey skid plates add a touch of ruggedness, while the extra tinted glass in the rear windows and tailgate enhances privacy and style. Full LED headlights and LED turn indicators on the door mirrors provide excellent illumination and visibility, both day and night, while the rear side wing doors add a unique design element. Inside, comfort and convenience are prioritised with automatic climate control, a modular boot floor, and a sliding rear bench for versatile seating and storage options. The Renault CAPTUR is packed with technology, including a 7-inch EasyLink touchscreen with navigation, Apple CarPlay and Android Auto compatibility, and a range of driver assistance features such as lane departure warning, rear parking sensors, and traffic sign recognition. Safety is paramount, with multiple airbags, ABS with EBA, electronic stability control, and a tyre pressure warning light ensuring peace of mind on every journey
