GOOD SERVICE HISTORY, B- TOOTH, SAT NAV, AIR CON

The new SEAT Arona has already been a hit, impressing with its composed and refined drive, sharp style and generous equipment. Out on the road, it's quickly clear that this is an SUV with the emphasis more on sport than in other models in the Arona range. The 1.5-litre engine pulls strongly from 1,500rpm, so it responds keenly to any pressure on the accelerator; and, while it's not hot-hatch quick, there's enough power to set the traction control light flickering from time to time, and to push you back into those sports seats. known for its sporty image, though - and, the Arona is certainly one of the sportier choices among the flood of new small SUV Fusco Vehicle Sales - ***North Down's largest used car dealership & Northern Ireland Used Dealer Of The Year 2024 Award Winner *** Generally over 150 Used cars & Commercial vehicles on site.
