The Jaguar I-PACE 294kW EV400 SE 90kWh 5dr Auto is a sophisticated electric vehicle, offering an impressive performance with its electric powertrain. The automatic transmission ensures a smooth and effortless driving experience, making it an excellent choice for those looking to embrace the future of driving. Its reputation for delivering a refined and quiet ride is enhanced by the acoustic laminated windscreen and active vanes, contributing to a more serene journey.

Aesthetically, the I-PACE is striking with its elegant grey paintwork and sleek design elements. The body-colour bumpers and gloss black inserts on the front and rear bumpers, as well as the side cladding, provide a modern and cohesive look. The flush exterior door handles and solar attenuating windscreen add to the vehicle's cutting-edge appearance, while the LED tail lights and follow-me-home headlights ensure visibility and safety.

Inside, the I-PACE is equipped with a range of luxurious features aimed at enhancing comfort and convenience. The heated steering wheel and electric cabin pre-conditioning prepare the interior for any weather, while the leather multifunction steering wheel adds a touch of sophistication. Technology-wise, the vehicle boasts Amazon Alexa integration, Wireless Apple CarPlay/Android Auto, and an interactive driver display. Safety is a priority, with features such as blind spot assist, adaptive cruise control, and multiple airbags providing peace of mind for all occupants
