**LEATHER~ SAT NAV~ 12 MONTHS MOT**

Beat this for value! This excellent Seat Exeo TDi Sport Tech is so much car for the money. Finished in stunning white pearl metallic with its 18 inch anthracite grey alloys, privacy glass, front fogs, LED lighting, rear boot spoiler and lowered sport suspension it looks fantastic. Inside the full black leather upholstery is in excellent condition and its equipped with navigation, Bluetooth connection, BOSE sound system, auto lights, and even an electrically operated sunblind to the rear window. At 93,000 miles the mileage is considered well below average for the year and these well proven Exeo's are based on the virtually indestructible and massively popular B7 version of the Audi A4 so there's plenty of enjoyable miles still to be had in this superb car. We've just given this car a full inspection service and its supplied to the new owner with a fresh 12 month MOT for maximum piece of mind motoring.
