

Nissan Qashqai 1.5 dCi Acenta 5dr | Sep 2010

FULL YEAR MOT- DEC 2025

£1,850

Well maintained and reliable car with a full year's MOT (to December 2025)

Drives well and has been owned for the past 2 years with no issues. There's some age-related wear and tear, plus light rust on the rear discs from lack of recent use-this should clear up with regular driving. The car hasn't been used in the last few months as I needed to switch to a 7-seater. Price reflects these minor points.
