IMMACULATE CHERISHED E250 AVANTGARDE, F. S. H

Stunning Mercedes E250 Avantgarde Automatic

Finished in Diamond silver metallic with contrasting full black leather upholstery.

Top spec avantgarde model with dual zone climate control (freezing cold air con), cruise control, on board multifunction trip computer with steering wheel control, electric front and rear windows with heated and foldable mirrors, winter pack with 3 stage heated front seats, full electrics etc. This particular car has the upgraded Bi Xenon headlights.

Immaculate car throughout and spent over a year sourcing as clean a one as I could find. Not the usual run of the mill one of these it's as good a one as you're likely to find. Outstanding service history from new mostly mercedes and gearbox service completed and anything it ever needed.

Genuine 18" amg alloys on the car but can supply the original 16" wheels if preferred. Still drives really well with these on but the option is there. Not a single mark on these wheels but the originals could do with a refurb.

Passed MOT in September with no advisories and comes with both sets of keys.

Genuine reason for sale. The car just isn't getting the use it deserves. Only really used an odd weekend and have another car I use full time. Amazing driving car and the w212 is the last of the brilliant e classes.
