The 2021 Toyota C-HR GR Sport is a bold and sporty version of Toyota's popular compact crossover, designed to deliver both style and enhanced driving dynamics. Inspired by Toyota's Gazoo Racing heritage, the GR Sport features distinctive styling cues, including unique 19-inch alloy wheels, black accents, a mesh grille, and GR badging, giving it an aggressive and athletic look. Under the hood, it offers a choice of efficient hybrid powertrains: a 1.8-liter or a more powerful 2.0-liter hybrid system. Both deliver smooth performance while prioritizing fuel efficiency and low emissions. The GR Sport trim also benefits from a sport-tuned suspension for sharper handling and improved cornering stability. Inside, it boasts GR-branded seats, red stitching, and sporty accents, alongside premium features like an 8-inch infotainment system, smartphone integration, and Toyota Safety Sense. The C-HR GR Sport combines dynamic performance, head-turning design, and everyday practicality
