The Cupra BORN 170kW e-Boost V2 59kWh 5dr Auto is a compelling choice for those seeking an electric vehicle that combines performance with practicality. Equipped with a powerful electric motor and automatic transmission, this vehicle offers a smooth and efficient driving experience. The acoustic windshield and auto-dimming rear view mirror enhance the driving environment by reducing noise and glare, ensuring a comfortable journey every time. Aesthetically, the Cupra BORN is presented in a sleek silver finish, complemented by dark tinted rear windows and grey exterior mirrors that add a touch of sophistication. The full LED headlights and LED rear lights provide excellent illumination, with the added benefit of LED daytime running lights for improved visibility. The vehicle also features a stylish design with rear side wing doors and aluminium pedals, adding to its modern appeal. Inside, the Cupra BORN is designed with comfort and convenience in mind. The dual zone climatronic air conditioning and heated front seats ensure a pleasant cabin environment, while the SEAQUAL Yarn cloth upholstery offers a comfortable seating experience. The 5.3" digital cockpit and 12.9" central display infotainment system provide seamless connectivity with Bluetooth and a wireless full link smartphone integration, allowing you to stay connected on the go. Safety is paramount with features such as forward collision warning with automatic braking, lane assist, and an extended safety system with proactive passenger protection, ensuring peace of mind for all occupants.
