LOW MILES, GREAT CONDITION

£5,450

Overall in great condition inside and out. Great wee car for first car or for a weekend runabout. I'm selling due to having a baby and upgraded to a bigger family car. It drives really nicely and have had nothing wrong with it. Full years MOT only been done September. Convertible works perfectly and not rips or tears in the roof nor in the leather interior. I do not have service history unless it's online from when I bought it. It has all had an exhaust upgrade which is nice and makes it sound throatier. But all around a great car for everyday. Any questions please don't hesitate to ask. Thank you
