Explore the allure of the Volkswagen TIGUAN 2.0 TSi 230 4Motion SEL, a vehicle designed to offer an exceptional driving experience with its powerful petrol engine and seamless automatic transmission. This model is equipped with advanced features like adaptive cruise control and lane assist, making every journey smooth and stress-free. The dynamic light assist with LED headlights ensures optimal visibility, while the electric panoramic sunroof floods the cabin with natural light, enhancing every drive. Aesthetically, this Volkswagen TIGUAN is nothing short of impressive. Its sleek white paintwork is complemented by tasteful chrome accents, including the chrome-trimmed radiator grille and side window surrounds. The vehicle's refined exterior is further accentuated by body-coloured bumpers and door handles, while the silver roof rails and rear tinted glass add a touch of sophistication. Inside, you'll find an elegantly appointed interior with adjustable ambient lighting and luxurious leather details, making every ride a comfortable experience. The TIGUAN is packed with options that cater to both comfort and safety. Featuring a 3D effect cherry red LED rear tail lights and a multifunction computer with visual gear change recommendations, you are assured of both style and efficiency. For your convenience, the vehicle includes App-Connect for seamless smartphone integration, a 3-zone climate control system, and numerous storage compartments for all your needs. Safety features are paramount, with multiple airbags, an active pedestrian safety system, and electronic parking brake with auto hold, ensuring peace of mind for you and your passengers.
