Introducing the Lexus ES 300h 2.5 4dr CVT, a sophisticated hybrid saloon designed to offer a seamless driving experience. This vehicle combines the benefits of a self-charging hybrid system with an automatic transmission, providing both efficiency and ease of use. With four doors and a spacious interior, it's perfect for those who value comfort and practicality. Notable features such as dynamic radar cruise control and lane tracking assist ensure a smooth journey, while the comprehensive safety suite, including 10 airbags and a pre-collision system, offers peace of mind on every drive. The aesthetic appeal of the Lexus ES is enhanced by its striking blue paintwork, which complements the sleek body lines and elegant styling. The vehicle is equipped with options like 2 eye LED headlights with auto high beam and LED daytime running lights, which enhance visibility and add a touch of modern sophistication. Exterior elements such as the aluminium front scuff plates with the Lexus logo and the rear spoiler contribute to the car's refined appearance, while the sunroof provides an airy feel to the cabin. Inside, the ES 300h offers a luxurious environment with Tahara leather upholstery and a range of comfort features. The 8-way electrically adjustable heated seats, with lumbar support, ensure a tailored seating position for both the driver and passengers. The Lexus navigation system with an 8" multi-information screen, Apple CarPlay, and Android Auto keeps you connected and entertained. Practical touches, including multiple USB ports for charging and a comprehensive storage setup, make this vehicle ideal for everyday use. With options like the intelligent parking sensors and reversing camera, manoeuvring is effortless, making this Lexus a versatile and appealing choice
